### Notice : Amateur Radio Equipment Support Termination Announcement

To Our Valued Customers;

As each year goes by since the discontinuation of JRC Amateur Radio Equipment, it is becoming more and more difficult to procure the necessary parts and components for repair and maintenance.

Considering this, as a manufacturer of quality radio equipment, JRC announces the following timeline of official support including availability of spare parts and components.

#### DSP Receiver

Part Number	Manufacturing Period	Official Date of Termination of Support
NRD-545	February 1997 - January 2007	15 December, 2017

#### Transceiver

Part Number	Manufacturing Period	Official Date of Termination of Support
JST-145/245	March 1994 - January 2002	15 December, 2015

#### Linear Amplifier
